**NEIGHBORHOOD OUTREACH FOUNDATION**  
**“A Commitment to the Community”**

The Neighborhood Outreach Foundation is a 501 (c) (3) non-profit organization that has been part of the Council Rock School District community in Bucks County, Pennsylvania since March 1992. This community includes Newtown Borough, Newtown Township, Northampton Township, Upper Makefield Township and Wrightstown Township. Our mission is to offer help and assistance to community members in need. Our commitment is to provide aid when other support systems have faltered or are unavailable.

In 1991, Joanne Hansen, a secretary at Sol Feinstone Elementary, was eagerly awaiting the birth of her child. However, in her ninth month of pregnancy, she suffered a massive stroke which left her a quadriplegic. Through community efforts, a group was formed to help Joanne and her family during this time of crisis. During this time, the group became aware of other members in the community facing similar needs. It was then that the Neighborhood Outreach Foundation was formed, to provide aid to others in need. We continue to support Joanne’s rehabilitation.

In addition to helping Joanne, the Neighborhood Outreach Foundation has made a commitment to help people in need, through confidential grants, within the Council Rock School District community. Neighborhood Outreach Foundation has provided many forms of assistance, such as medical expenses, utilities, insurance and rent payments. These referrals are mostly through Council Rock School District’s nurses and social workers, however **all** residents with or without school age children (including our senior citizens), may request financial aid through the Neighborhood Outreach Foundation.

Your support is greatly appreciated and is making a difference within our community.

Since its founding in 1992, the Neighborhood Outreach Foundation has given out over \$724,000 in grants. Our purpose is to offer help and assistance to community members in need. We provide aid when other support systems have faltered or are unavailable.

We gratefully acknowledge the part that the business community, schools, individuals and families have played in contributing to the success of the Neighborhood Outreach Foundation.

**We hear from our grant recipients:**

*“Words cannot adequately express my deep appreciation for the outpouring of generosity you gave me and my family.”*

*“The help you have given us is so wonderful and takes so much stress off my mind. Your thoughtfulness was way far and above our expectations. You are our magical angels.”*

*“They were buoyed by this unexpected help from their neighbors in the Council Rock community. You gave them a little ‘breathing room’ while they were struggling to keep their heads above water. Again, thank you so much.”*
